"Starting college and living away from home can be an exciting time for incoming freshman. We wanted to give these students a fun way to decorate and organize their new school homes just how they like – plus support the costs of purchasing their school supplies," said California Credit Union CEO Steve O'Connell. "We invite the SDSU Class of 2022 to check out our Instagram account to enter the Dorm Room Makeover program."

The Dorm Room Makeover program is another way North Island Credit Union is supporting local students in the San Diego community. This program compliments the credit union's annual College Scholarship, which has awarded more than \$285,000 in scholarships to California students.
