## WHAT DOES CALIFORNIA CREDIT UNION DO WITH YOUR PERSONAL INFORMATION?

**California**  
CREDIT UNION

### Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

### What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number and account balances
- Payment history and transaction history
- Risk tolerance and checking account information

When you are no longer our customer, we continue to share your information as described in this notice.

### How?

All financial companies' need to share members' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their members' personal information, the reasons California Credit Union chooses to share, and whether you can limit this sharing.

### Questions?

Call (800) 334-8788 or go to [ccu.com/privacy](http://ccu.com/privacy).

\* California law gives you the right to opt out of certain sharing. Please see the additional notice entitled "Important Privacy Choices for Consumers."

## Who we are

### Who is providing this notice?

California Credit Union

## What we do

### How does California Credit Union protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

California Credit Union regularly tests our security procedures and performs enhancements as needed to protect member information

### "How does California Credit Union collect my personal information?"

We collect your personal information, for example, when you

- Open an account or pay your bills
- Apply for a loan or deposit money
- Use your credit or debit card

We also collect your personal information from others, such as credit bureaus or other companies.

### Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

## Definitions

### Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

- *California Credit Union has no affiliates*

### Nonaffiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

- *California Credit Union does not share with nonaffiliates so they can market to you*

### Joint marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

- *Our joint marketing partners include credit card companies, insurance companies and mortgage companies*

## Other important information

California law gives you the right to opt out of certain sharing. Please see the additional notice entitled "Important Privacy Choices for Consumers."
