North Island Credit Union Offers Summer Internship Program For San Diego Students

San Diego, CA – March 1, 2024 – Applications are now available for [North Island Credit Union](#)’s Summer Internship Program for local high school seniors and college students. Now in its third year, the program offers paid internships to provide students with professional work experience and mentoring in multiple areas throughout the organization, including Lending, IT, Business Insights & Analytics, Wealth Management and other departments.

“We’re committed to supporting our local students in every area, including providing hands-on work experience and mentoring to help set them up for success in the financial industry and open doors to a future career,” said North Island Credit Union President/CEO Steve O’Connell. “Through our Summer Internship Program, we will integrate students into teams across the credit union so they can apply what they learn in the classroom to a hands-on setting in the business world.”

San Diego County college students and high school seniors can learn more and apply for the internships through the credit union’s [website](#). Applications will be accepted through April 12th for the summer program.

The North Island Credit Union internships will provide students with practical work experience within and across multiple departments, leadership development skills, and school-to-career readiness, with direct training and mentoring with managers. All internships will be paid, part-time opportunities at the credit union’s San Diego headquarters offices from June 24th through August 16th.
